

### 70-Mile Trail Project Aitkin & Itasca Counties Existing & Draft Proposed Trails

With a grant from the Minnesota legislature and Dept. of Natural Resources, Aitkin and Itasca Counties are exploring 70+ miles of new trails (yellow) to complete a 500-mile ATV/OHV trail system connecting existing trails (pink). Most of the 70+ miles of new trails follow existing forest and township roads. See [www.70miletrail.net](http://www.70miletrail.net) for more information.
